

City of Walker Purchasing Department

We purchase all material and supplies for all departments, maintenance, vehicles and infrastructure. We maintain inventory and records to be accountable for all money spent by the City of Walker. We work with each department on purchasing or leasing of all equipment and items not carried in inventory. We work closely with each department to stay within their budgets.

City of Walker Purchasing Mission Statement

The purchasing department is responsible for acquiring necessary inventory, while noting price, quality, and availability. Managing such to insure budget and accountability in the areas, but not limited to, the purchasing of office supplies, tools and machinery and material.
