

CITY OF WALKER
INSPECTION DEPARTMENT

Our Inspection Department at the City of Walker provides a wide range of service to the community. We handle all the building permit requirements within the City of Walker. We can also assist you with flood elevations, flood zones, planning, zoning, code enforcement, Entergy permits, contractor license and addressing. The goal of our Permit Department is to enforce requirements to safeguard our community with public safety, health and general welfare, stability and safety to life and property from hazards attributed to the building environment.
